Fr. Yozefu- B. Ssemakula (Fr. Joseph) renowned author of the critically acclaimed book, "The Healing of Families" is coming to St. Basil-The-Great College School to personally conduct a family healing prayer seminar. You won't want to miss this life-changing opportunity as Fr. Joseph will be presenting a simple, effective, and powerful prayer method for freeing you and your family from things you have prayed about for a long time, without results, including health issues. Individuals, couples, and families will all benefit in this grace filled seminar as you learn to distinguish between the true Cross of Christ that we have to carry for our salvation, and the false Cross, which is a simple captivity and oppression of God's children. The seminar will equip you with how to pray effectively to end recurrent problems in your personal and family life in a step-by-step prayer approach for deliverance.
